## Helllloo 2021—Welcome Back Everyone

Welcome everyone to our Late edition of the newsletter. I have been in a bit of a turmoil in the last few months (another way of saying I am REALLY SLACK). I had intended to send out a newsletter in February but didn't. then I was going to send out the newsletter in March but didn't, Easter was a good time to send one but again I didn't.

Finally, I am writing one now.

Since our last newsletter, we have had a Tournament in February, an ATBSO of ACT State Teams roll off and a doubles tournament in conjunction with ACTTBA . I would like to thank the ACTTBA executives of their prompt response to a late notice of this event and posting it on their website.

Since we are talking about the April Doubles then we will continue with the theme.

This is also a good opportunity to say that the April doubles has increased our membership (ATBSO of ACT). I would like to welcome the new and or returning members to ATBSO of ACT, welcome all.

### January Tournament Results

The turnout of our Late January event was pretty good for a 1<sup>st</sup> tournament of the year. This was a singles event and few bowlers found the conditions challenging, I know I did. 12 bowlers contested in the mixed open, while the Men's and Women's graded event had 9 contestants each for a total of 30 bowlers on the day.

The Mixed Open was taken out by Rob Mason (203 average), Andrew Campbell (202) 2<sup>nd</sup> and Robbie Douglas (198) 3<sup>rd</sup> congratulations to all.

Men's Graded Result was taken out by John Hook; congratulations on your first win for a while (Scr Ave 162 Hcap 208) the drought is over, Keith Piper in 2<sup>nd</sup> (Scr Ave 173 Hcap 206) and Noel Kelly 3<sup>rd</sup> (Scr Ave 169 Hcap 198), Congratulations all.

Ladies Graded Results was taken out by Corrina Logan 1<sup>st</sup> (Scr Ave 181 Hcap 209), Siew Lim 2<sup>nd</sup> (Scr Ave 159 Hcap 206) and Dianne Boersma 3<sup>rd</sup> (Scr Ave 165 Hcap 204)

## April Doubles Results

The April Doubles was a great success with 40 participants taking part in the event. The partners were drawn on the day. It was great to see ACTTBA members coming along to the event and enjoying themselves.

There have been a lot of High scoring games and quite a few Over average series being bowled over six games.

The winner was Craig Sproule and Toni Hogan

In Second Place Robert Mason and John Hook

3rd Place went to Mark Graham and Alan Dyer

This Tournament has been a great success with a total of 19 teams taking part in the event. We will see more of the ACTTBA members bowling with us in the future.

## Some Changes to our Future Tournaments

Earlier this year there was discussions around incorporating ACTTBA bowlers in our tournaments.

There were emails sent out and there was a discussion with the ATBSO of ACT members as to how this will fit with us.

The following information has been sent to the ACTTBA Members:

ATBSO of ACT members have agreed to a co-run tournament between ATBSO of ACT and ACTTBA.

All participants must have a current TBA Membership.

ATBSO of ACT Singles event is a TBA sanctioned Tournament and all ATBSO of ACT and TBA tournament rules and

regulations apply.

Non-ATBSO members must be 20 years or over to participate in the April Doubles event.

Tournament will be split into two groups, with each group having its own prize fund and divisions.

Group 1 – ATBSO of ACT members.

Group 2 – ACTTBA members.

## Tournament with ATBSO NSW

The ATBSO NSW members will be visiting ACT in late May, we are expecting a strong NSW contingent of bowlers, numbering 36 individuals who will be participating in this event. This is a great opportunity to meet new and old friends. It has been quite a while since we competed against anyone outside our state, however some of you may have participated in other events where COVID-19 was lifted but majority of us mainly stayed at home

The Tournament will be Held at the Zone Tuggeranong Centre and is a singles event.

This tournament is closed to ATBSO Members only.

## Yaaaay the BBQ's Are Back.

It has been nearly 12 months since we used our BBQ's. the committee members got together and set up a busy bee to clean up the BBQ equipment and or see what other equipment needed attention before we had our next BBQ.

Our first Harvey Norman BBQ was on the 17<sup>th</sup> April, yes a short Notice and all but we managed to organise two teams for this.

Each team had 6 people at the most. Once the shift is over, then the people had to leave the area. Cleaning of equipment was done on an hourly basis and or as per the protocols.

Before each BBQ event, these protocols will be emailed out and to each member of the BBQ team.

The BBQ on the day was slow and did not yield much profit, but we still made some.

We had a Bunnings BBQ quite recently on 1 st May this year and we made a great profit . Bunnings BBQ's are a 5 person team so it can get a bit hectic. Our first Bunnings BBQ was earlier this year and that one too was a great success and we made a good profit out of it as well

### CARD PAYMENTS AVAILBLE

The Committee have been looking into the eftpos Square from Office Works for some time now and finally purchased one. We first used it at the Bunnings BBQ held on 1st May at Gungahlin. On the day, there was 45% of all monies earned via the eftpos square and 55% of all earnings was cash. The test will be at our next BBQ at Harvey Norman on 16th May 2021. We are expecting the same percentage of transactions to be through eftpos square which should increase our profits.

Card Payments are now available during our local tournaments
